

International Board Impact Conference Oslo

Helen Pitcher, IDDAS Chairman, was one of the speakers at this year's International Board Impact Conference in Oslo. The conference's main theme this year was Leveraging Diversity. Helen presented the findings of IDDAS's latest research on Chairmen and their views on board dynamics.

The conference brought together a diverse range of participants including board members, executives, investors, researchers and politicians. It was set up to discuss the lessons-learned and experiences of the board. Held over two days, 12th October and 13th October, this conference was designed to provide a forum to assess the real-life impact of board diversity since the quota law was first proposed in 2002 as well as discuss the journey forward in Norway and the rest of the world.
